OHIO FIRE MARSHAL

On the Trail of Night Riders Who Destroyed Kautz Warehouse—Worse Than Reported

COLUMBUS, O., April 25th.—Upon information received by the State Fire Marshal today that night riders had burned the barn of George C. Barnes of Brown county and destroyed 2,000 pounds of Burley tobacco, that official moved swiftly to run down the perpetrators of the outrage. He at once dispatched Deputy Marshals Ambrose and Sweeney of Cincinnati and Detective Garrett Fox and Deputy Thrush from the home office to investigate. Governor Harris has been asked to loan guns to be used for the purpose of defending the tobacco growers from the marauders, and it is said he intends to do so if he can under the law. There has been no request for the use of the militia.

AUGUSTA, Ky., April 25th.—At Rural, O., three miles below here on the Ohio river, night riders waited on Albert Newman, an independent tobacco grower, and destroyed two of his tobacco beds. Mr. Newman fired at the men with a revolver, and one of the men answered by firing a shotgun, the load striking Mr. Newman in the head.

About fifty men were in the party, and they are believed to have crossed the river from Kentucky. The riders missed one of the Newman tobacco beds, and Newman this morning plowed it up himself. The horses of the night

riders were covered with shooting and the riders were masked.

The night riders left the Ohio shore in skiffs as the fire was at its height, and as they started across the river began shooting, and were in plain view of Augustians, living in Front street, until they landed at the lower end of town.

SHOOT INTO DWELLINGS.

As they went through the lower end of Augusta they continued to fire revolvers and shotguns, ordering citizens to remain indoors and extinguish their lights. Richard Henry failed to blow out the light in his residence when ordered and the riders shot the upper sash of his bedroom window out, extinguishing the light. They also shot through the home of John H. Moran, the bullets going through the ceiling, some of the plastering falling on the bed in which Mr. Moran and wife were sleeping.

At Ripley a reward of \$150 is offered, which sum will be paid out of the treasury of the League for the arrest of any of the night riders.

President Martin of the League has named a committee to go to Columbus with Mr. Keiler, the League's attorney, to interest the Legislature in the passage of a bill making the devastation of tobacco farms a felony.

For months Maysville readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

Mrs. John E. Burns, living in the Western part of Maysville, Ky., says:

"I value Doan's Kidney Pills just as highly today as when I gave a statement in their favor some years ago. Prior to their use I was subject to frequent attacks of kidney trouble. At times the pain in my back was so acute that I was rendered almost helpless and confined to my bed for days at a time. The quick and decided relief I obtained from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have elapsed I have had no serious return of kidney trouble. On some occasions I have felt a slight backache, but a few doses of Doan's Kidney Pills have never failed to ward off any serious trouble."

THE CONVENTION'S VOTE.

Cochran	588
Blatterman	500

Cochran's Majority 88

Besides there were over 100 Cochran votes that were uncounted when the tallying stopped.

Saturday was Taft and Cochran day in Maysville and Mason county and the remarkable outpouring of nearly 1,500 Republican voters was an event without parallel in Mason county.

The issue was clear cut and was a battle royal between the Taft forces led by Hon. W. D. Cochran and the

Fairbanks forces marshaled by Hon. Shelby M. Blatterman, both being gallant young sons of this county.

While each faction worked with intense feeling and the enthusiasm often reached the sizzling point, yet we are pleased to say there were no scraps worthy of noting and what

bitterness was engendered will, it is to be hoped, soon be forgotten.

By 10 o'clock the streets of the city were filled with marching voters from every Precinct of Mason county and these, together with the onlookers, swelled the crowd to several thousands.

Smittie's celebrated band of Cincinnati enlivened the occasion for Taft and Cochran and discoursed popular music from one end of the city to the other, arousing the spirit of enthusiasm to the highest pitch and adding much enjoyment to the stirring events of the day.

While the Equity men and the colored voters made an imposing showing for Blatterman as they paraded the streets, yet when the Cochran forces were marshaled and rounded up in front of the Courthouse just after the noon hour, it was visibly apparent that the Fairbanks banner was trailing in the dust and that W. H. Taft would win the vote of Mason county in a walk.

There were at least 600 colored men in both factions, Cochran controlling more than two-thirds of them and they stuck to Taft like true men, and if the sentiment of the Negroes of Mason county is an expression of their choice for President, with Taft as the nominee, the entire colored vote will line up for the Secretary.

One o'clock, the hour the convention convened, found the Courthouse packed with a howling mass of voters yelling and rooting for their respective candidates.

Secretary January, acting for Chairman Cochran, called the meeting to order and stated that it would be impossible to hold the Convention in the Courthouse and that it would hasten the proceedings if the voters would pass outside where a division could be made and the Cochran and Blatterman adherents duly registered by tallyers. The Blatterman leaders objected to this, but it was finally agreed to and the streets surrounding the Courthouse soon became a seething mass of men, hundreds yelling like mad.

At 1:30 Secretary January from the portico of the ancient temple of Justice read the call for the Convention and stated its object.

The Taft men nominated Dr. Alex. Hunter for Chairman while the Fairbanks men named Hon. W. H. Cox.

It was agreed that the vote should be counted by four tellers—two from each side—to record the choice of each voter as he passed into the Courthouse.

THE TELLERS.

For Hunter.	For Cox.
R. A. Cochran.	H. C. Sharp.
P. D. Wells.	Chris. Brown.

It required just an hour and 15 minutes to complete the count and mounting the rostrum in the Circuit Court room Mr. January announced the vote as follows:

Hunter	588
Cox	500

Majority for Hunter. 88

At least 100 Hunter men were not tallied so as to hasten the result.

Amid a wild storm of applause and shouting for Taft, Cochran and Hunter, Dr. Hunter took the Chair and it was several minutes before he could call the crowd to order. He then thanked the audience for the honor and the Convention was formally opened for regular business by the election of Mr. January as permanent Secretary.

Mr. Clarence Matthews then read the following resolution, which was adopted with a perfect storm of approval by the Taft men, the Fairbanks adherents uttering no protest:

RESOLUTIONS.

Resolved, That this Convention indorse William H. Taft for President and instructs for W. D. Cochran as District Delegate and E. W. Lane as Delegate-at-Large to the National

Republican Convention at Chicago; and further, That the following persons be delegates to the State and District Conventions:

Dr. Alex. Hunter,	Arthur Whaley,
M. C. Hutchins,	Charles Perkins,
Clarence Matthews,	Spencer Hinton,
Thomas P. Degman,	Ad Lewis,
W. D. Cochran,	James Griffey,
L. T. Gaebke,	Moses Lane,
James M. Collins,	Nat Langhorne,
Henry Breeze,	William Griffin,
Thomas Hedges,	William Thomas,
W. S. Yazel,	Thomas Davis,
W. E. Stallcup,	Oscar Bennett,
William Hunter,	Willie Coleman,
W. H. Hook,	Richard Burns,
W. H. Lynch,	Henry Fields,
Chris Hunsicker,	Samuel Munday,
Charles Frame,	Jack Story,
J. I. Salisbury,	Henry Campbell,
G. T. Barbour,	Horace Yates,
T. M. Russell,	Scott Stevenson,
A. F. Curran,	Charles Robertson,
William Bland,	Amos Clements,
Robert Rasp,	Ed. Gordon,
George Rhodes,	Alf Hubbard,
Russ P. Gault,	E. W. Lane,
John T. Smith,	George W. Lyman,
George Bevard,	C. Ed. Geisel,
J. C. Simons,	A. J. Boyd,
John Perkins,	Charles Cook,
W. F. Pollock,	F. M. Dunham,
R. A. Cochran,	William Sproemberg,

Fred Cabbish,	James Outten,
G. W. Adair,	W. T. Fristoe,
A. M. January,	Charles E. Biggers,
H. J. Cochran,	Charles B. Davis.

Following the reading and adoption of the above, a motion to adjourn was made, seconded and carried with neatness and dispatch and the biggest political Convention ever held in Mason county was numbered with the other momentous things that were.

Then when newly-elected Delegate W. D. Cochran mounted a table on the forum to thank the Convention, shoel broke loose some more and it was some time before he could be heard. He received a tremendous ovation.

Flushed with intense feeling by his hard-fought battle and great victory, Mr. Cochran said:

"Fellow - Republicans of Mason county, I thank you for the honor conferred upon me and I congratulate both you and the party for the good work you have accomplished today. For years I have felt it my duty to fight in the ranks of the Grand Old Party, and have never sought a reward at your hands. But, my fellow-citizens, today I have my reward; today I am proud to have the honor you have so generously bestowed upon me by indorsing me as one of the Delegates to the Chicago Convention next June, which will name William Howard Taft as the next President of the United States. Again I thank you."

Mr. E. W. Lane, the colored candidate for Delegate-at-Large from Kentucky to the Chicago Convention, was on the same table with Mr. Cochran. He made an eloquent speech, thanking the Convention for its indorsement.

The big meeting then dispersed. Of course, there were charges and counter-charges of fraud, but, taken as a fair party expression, the indorsement of Taft for President was clearly the honest voice of Mason county Republicans.

The result, while gratifying indeed to THE PUBLIC LEDGER, is only what we have hoped for and expected.

Nothing but death can prevent Taft's election to the Presidency.

MRS. JENNIE BARR.

Mr. Cochran received the following Saturday from Hon. A. I. Vorys, the Taft manager:

COLUMBUS, O., April 25th, 1908.
W. D. Cochran, Maysville, Ky.:
Congratulations and hearty appreciation.
A. I. VORYS.

THE RESULT IN THE STATE.

The County Conventions in many parts of the State were marked by the worst kind of riot and disorder, but it was characteristic of both the Taft and the Fairbanks factions and the latter were merely beaten with their own weapons.

In Louisville the Taft forces carried the Primary by over 3 to 1 and the Fairbanks crowd was snowed completely under.

W. O. Bradley had his usual attack of profanity over his defeat and among other things said:

"Say for me that hell is not a circumstance to what occurred in Louisville today."

Taft carried Louisville, Covington, Lexington, Maysville and all the large counties of the State.

Returns from 100 counties in the State give Taft about 650 delegates; Fairbanks 500; uninstructed 380.

Taft has apparently won in the Second, Third, Sixth, Seventh, Eighth, Ninth, Tenth and Eleventh District. The First he captured several weeks ago.

The satisfactory snowing under of Bradley, Thatcher and Bruner will tend to clarify the political atmosphere for several years at least.

It was a famous victory!

Mr. Nicholas Gallenstein of Forest avenue, who has been ill for several days, was in a very serious condition yesterday but is reported somewhat better this morning.

Beware of Ointments For Catarrh That Contain Mercury. as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

HOW A COLD IN THE HEAD AND NASAL CATARRH CAN BE CURED

Paracamp Is Daily Demonstrating Its Marvelous Curative Properties.

At this time of the year, Cold In The Head and Nasal Catarrh are most prevalent. Many users of Paracamp are not aware that it will relieve and cure these ailments.

Don't dose your stomach with powerful drugs which always leave a bad after-effect and in a great many instances do serious harm, but try Paracamp. You will be agreeably surprised at the results.

Take a small quantity on the end of the finger, put it well into the nostril and sniff hard, so as to get the remedy up into the channels of the nose and until it runs back into the throat. Do this until the channels of the nose are opened; then rub the outside of the nose and forehead thoroughly applying Paracamp freely, as this will stimulate the circulation, remove congestion, open the pores and draw out the fever and inflammation by inducing sweating.

When Paracamp is used in this manner, it goes immediately to the diseased and inflamed membranes, cooling, soothing and healing the same. It also kills the disease germs.

The principle of Paracamp is direct contact. It opens the pores of the skin, one of the mediums through which the body throws off its impurities, permitting the soothing, healing oils to penetrate direct to the interior cells, and removing all soreness, fever and inflammation by inducing perspiration.

This treatment should be repeated several times and always upon arising in the morning and at night before retiring.

After a thorough trial, if you are not perfectly satisfied with the results, go to your druggist and he will give you your money back.

Paracamp has relieved many sufferers, and will cure without harming. It does not as many other remedies do, deaden the nerves; but stimulates them so they may perform their natural functions.

Paracamp is sold and recommended by J. Jas. Wood & Son, Druggists.

Hard Coughs
If your doctor fully endorses your taking Ayer's Cherry Pectoral for your hard cough, then buy it and use it. If he does not, then do not take a single dose of it. He knows all about this splendid medicine for coughs and colds. J. C. Ayer & Co., Lowell, Mass.

FIRE BUGS

Continue Their Dastardly Work In Mayslick Precinct—Two Stables Burned

Pyromaniacs continue their dastardly work in the Mayslick Precinct.

Saturday night about 8 o'clock a stable on 'Squire John D. Raymond's farm was destroyed, together with one horse, three tons of hay and a lot of farming implements.

No insurance. About the same hour a stable on the Alfred Reed farm was burned, the loss in both instances being total. Mr. Reed carried a small insurance.

This is the fifth building destroyed by firebugs in that Precinct during the past month.

The gage marks 223 and falling.

The Coal City is coming with a tow of coal.

The Queen City will be down tonight from Pittsburgh.

The excursion season has opened between Cincinnati and Louisville.

The showboats are working many of the towns along the Ohio just now.

An unusually large number of lumber rafts are reported up the Allegheny river this spring.

The Sam Brown and Charles Jutte are en route to Louisville from Pittsburgh with tow of coal.

J. W. Hanson and Miss Dora Hanley were married a day or so since on the steamer Sunshine as the boat was anchored in the middle of the river in front of Evansville, Ind.

The Vicksburg American says that the onion crop in Louisiana is a failure, and the yield of potatoes will be only fair. This is quite an important item to New Orleans steamboat men, who get a deal of carrying business in handling the crops.

Rivermen will regret to learn of the death of Captain William Kirker at his residence at Cincinnati. Captain Kirker was one of the best known steamboat men in this country and had commanded some of the finest steamers on the Ohio and Mississippi rivers.

The upriver packets are having a good many inquiries about rates on all through packets to Pittsburgh, Pomeroy and Charleston, W. Va., and the spring passenger travel promises to be very heavy. A boat trip is an ideal vacation, as it is absolutely resting and healthy.

All the miners in the Kanawha district are at work, and the Kanawha river towboats are busy towing coal to Cincinnati and empties back. The oldest riverman cannot recall the time when there were such fine stages in the rivers to ship coal as there has been for the past two years.

The Tom Dods worth is on her way to Pittsburgh with a tow of thirty-nine empty barges, spread out eight pieces wide. The Dods worth is near forty years old, yet she is in spick and span shape. It is seldom a boat remains in service anywhere near the long record of the Dods worth.

As a part of the program for the entertainment of the Indiana Editors who will be in Louisville on May 16th a river trip has been arranged. On the evening of May 16th they will go to Cincinnati on the City of Cincinnati, returning to Louisville the following evening, after spending a day at the Queen City.

Forecaster S. S. Bassler of the Cincinnati District has received instructions from the Weather Bureau at Washington, D. C., to the effect that in the future when there is a rise in the Ohio or Kanawha rivers that will reach the danger line or flood stage he will receive reports every four hours from points on the Ohio and Kanawha. This will be a great benefit to rivermen.

Work will be started shortly on Dam No. 26, in the Ohio river, to be located near Gallipolis. There had been some delay in connection with this Dam, but the necessary data will be submitted by the War Department to the Attorney General's office within a few days, and then the District Attorneys will proceed immediately to procure the site. As soon as this is done, work will be commenced on the construction of the Dam.

As usual, after a disaster to a steamboat the crop of stories of rats leaving the boat, etc., is plentiful. The case is that of the Columbia, the boat which was towing the Eisenbarth showboat, and which sank last week when she struck the lock at Dam 18, on the upper river. Rats were observed scurrying to land before the boat left Marietta, and a member of the crew refused to make the trip, saving himself from a harrowing experience.

A LONG LIFE

How to Conserve Energy and Prolong Life.

The time comes to every one when the life forces begin to fail. It is a little harder to climb a hill or walk upstairs. Exercise is taken less vigorously or abandoned, and we feel that the end of active service is drawing near.

It is more than probable that we have been over-driving the machine of the body which will give out like any machine if overtaxed, and we should immediately take steps to change the gear, build up the strength and restore the life forces. To this end nothing equals our delicious cod liver and iron preparation, Vinol, which is far superior to all other tonics and cod liver preparations because it is made by a scientific extractive, concentrating process from fresh cods' livers, combining with peptonate-of-iron all the medicinal, healing, body-building elements of cod liver oil, but no oil.

As a body builder and strength creator for old people, delicate children, weak, run down persons, after sickness, and for chronic coughs, colds, bronchitis and all throat and lung troubles, Vinol is unexcelled.

Try it on our offer to return your money if it fails.
